In accordance with the revenue recognition principle, sales revenues are generally con- sidered to be recognized when the goods are transferred from the seller to the buyer; that is, when the exchange transaction occurs. The recognition of revenue is not dependent on the collection of credit sales. 10.

Weygandt Accounting Principles 11e Solutions Manual Ch5 ...  
A “ Change in Accounting Estimate Effected by a Change in Accounting Principle ” is a change in accounting estimate that is inseparable from the effect of a related change in accounting principle. An example of a change in estimate effected by a change in principle is a change in the method of depreciation, amortization, or depletion for long- lived, nonfinancial assets.

examples from real corporations throughout the chapters to help readers understand the application of accounting principles and techniques in practice. They'll also find problems that are modeled on the AICPA 'Simulations' - a new question format designed for the computerized uniform CPA Exam. These problems prepare readers for the exam, testing their ability to read, digest, research and respond to both a numeric problem and a short answer essay. This edition does NOT include the Problem Solving Survival Guide
