A journal for the teacher of english outside the United States.

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as A Room of One's Own, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. "Brilliant interweaving of personal experience, imaginative musing and political clarity" — Kate Mosse, The Guardian "Probably the most influential piece of non-fictional writing by a woman in this century." — Hermione Lee, The Financial Times

The Pushcart Prize–winning poet's memoir of his criminal youth and years in prison: a "brave and heartbreaking" tale of triumph over brutal adversity (The Nation). Jimmy Santiago Baca's "astounding narrative" of his life before, during, and immediately after the years he spent in the maximum-security prison garnered tremendous critical acclaim. An important chronicle that "affirms the triumph of the human spirit," it went on to win the prestigious 2001 International Prize (Arizona Daily Star). Long considered one of the best poets in America today, Baca was illiterate at the age of twenty-one when he was sentenced to five years in Florence State Prison for selling drugs in Arizona. This raw, unflinching memoir is the remarkable tale of how he emerged after his years in the penitentiary—much of it spent in isolation—with the ability to read and a passion for writing poetry. "Proof there is always hope in even the most desperate lives." —Fort Worth Star-Telegram "A hell of a book, quite literally. You won't soon forget it." —The San Diego U-T "This book will have a permanent place in American letters." —Jim Harrison, New York Times–bestselling author of A Good Day to Die
