System.

Apex-EL – Neptune Systems

In this manual, when we describe features that are the same on each drive, we will use the name APEX Drive. When we describe features that are not the same on all drives, we will identify each by its full name—APEX10 Drive, APEX20 Drive, or APEX40 Drive. This will help call attention to differences between the drives.

Anatomy & Physiology for the Manual Therapies 1e is designed to meet the specific needs of students preparing for careers in the manual therapies, such as massage therapy and careers as physical therapy assistants. This book provides the most appropriate depth of coverage for each body system -- in both narrative and visuals -- and by including relevant applications linking the content to situations they will face in their careers. Specially written applications with a focus on massage and physical therapy are included. An outstanding illustration program is also integrated to highlight important concepts and special
