The title of the book, Blood, Dreams and Gold, is a phrase from a poem written about colonial-era Rangoon (now Yangon), then the country's capital, written by the wonderful Chilean poet Pablo Neruda; he was also, briefly, his country's diplomatic representative there in the 1920s. Neruda lived in Rangoon during its heyday, when it was one of the most up-to-date, prosperous and cosmopolitan cities in Asia, and possibly the world, at a time when colonial Burma was one of the richest ...

Neruda, who was also his country's consul in Burma's colonial capital of Rangoon (now Yangon) during the mid-1920s. The phrase captures, I think, the violence, promise and extraordinary wealth of the city when it was at the peak of its prosperity and importance, the capital of one of the leading entrepôts of the British Empire.

Interpreting the Significance of Blood in Dreams. Dreams involving blood can be disconcerting—after all, blood quite literally sustains life. In the waking world, our blood keeps us alive by transporting oxygen to our vital organs, so seeing blood anywhere, especially in a dream, can be cause for consternation.

Blood, Dreams, and Gold is clearly written and accessible to a Western neophyte. Particularly valuable is the effort to put modern Burmese history in the broader context of SE Asian post-independence nativism. It is a good introduction to Burma, and I found it more accessible than The River of Lost Footsteps, but it isn't the sort

The notion of striving for dreams – the American Dream in particular – is central to In Cold Blood. Characters struggle with how to achieve their dreams, they scrutinize who has and hasn't achieved their dreams, and they struggle with whether their own dreams can ever become reality, and feel resentment when their dreams turn out to be beyond their reach.

The best single-volume analysis of Burma, its checkered history, and its attempts to reform Burma is one of the largest countries in Southeast Asia and was once one of its richest. Under successive military regimes, however, the country eventually ended up as one of the poorest countries in Asia, a byword for repression and ethnic violence.
