Consider using a full-sized envelope. When mailing a letter such as a resume, think about using a 12 by 9 envelope. That way, you don't have to fold your letter to fit in the envelope. When the recipient gets it, it will look more professional. Keep in mind, though, that larger envelopes cost more to mail.

**How to Write a Professional Mailing Address on an Envelope**  
Press [Bypass], and then press the [ ] key. Press [Custom Size]. Specify the envelope size, and then press [OK]. Place the originals, and then press the [Start] key. When placing an original on the exposure glass, place the original with the bottom line aligned to the left scale.

According to Clancy, there was a family of serial killers living in Lost Creek - the Campbells. "They've been killing off outsiders fer a hundred years. The head of the family is Sheriff Campbell. He's been killing under the shield of his badge since he was first elected back in 1964. His daughter, Darla, is the drug-dealing bartender at the Wagon Wheel Saloon." When Jack Leery suddenly finds himself the owner of a rural cabin on a hundred acres in Lost Creek, Colorado, left to him by a mysterious benefactor called Martin Johansson, he leaves his professional life as a website designer in Minneapolis to set out on what turns into the adventure of a lifetime. Jack's nail-biting journey to Lost Creek over treacherous mountain roads in his old Honda Accord sets the tone for this beautifully written tale that taps into mythic archetypes of the American West. At first completely alone in his primitive shack, Jack is soon adopted by Martin's dog, Blue. Then when Jack meets his neighbor, the crochety old Vietnam vet Clancy, a strange bond is formed. But is Clancy's story about the murderous Campbell family just another one of his tall tales far too fantastical to be true? By the end of this action-packed novel filled with dizzying twists and turns, Jack will have laid his earlier identity aside and found out who he really is.

The Blue Yonder Inn is a recasting of the "mother-daughter conflict" story in which Darnelle, a fortyish gun-packing loner is fighting to keep her sullen, teenage niece, Bonnie Blue, out of trouble. Darnelle owns and operates the Blue Yonder Inn, a pay-by-the-hour roadside motel that caters to airmen, prostitutes, and visitors to the state penitentiary. Though the Inn, Darnelle, and Bonnie are scorned by the town, Darnelle, unfazed by the opinions of others, turns her attention to flowers, creating a West Texas Garden of Eden in front of the Inn. The beauty of the garden, however, can do nothing to disguise the difficulties in the relationship between Darnelle and Bonnie, which eventually spawn a rough journey of growth for Bonnie taking her through an abusive marriage, the abandonment of her infant son on Darnelle's doorstep, and an epic journey to California to refashion her life according to Seventeen magazine. As the story ends, Bonnie and Darnelle come to understand that life doesn't come from the pages of a magazine, and that family ties are forged by hand, not by blood.

Patriot Games, Clear and Present Danger, and The Sum of All Fears appear together in a single hardcover volume of suspense, with stories as explosive and current as today's headlines.

Originally published in 1986, this book gives a detailed account of the manuscripts in Cambridge written wholly or partly in the Irish language. Most are in the Cambridge University Library, but relevant works in the libraries of Corpus Christi, Emmanuel, St John's and Trinity Colleges and in the Fitzwilliam Museum have also been included. Few of these have been described in print before. In addition, the catalogue contains descriptions of three manuscripts which have ninth-, tenth- and eleventh-century Irish glosses, and of eight stray items written in Irish. Apart from the glosses, these documents date from the fifteenth to nineteenth centuries. The text also contains a highly informative introduction. This comprehensive, rigorously researched volume will be of value to anyone with an interest in Irish manuscripts and bibliography in general.
