It is, instead, true to the tile: how we cook, how we eat, and the technology that has made these essential tasks possible for ages. Wilson's love of the kitchen illuminates every page. For those of us who like nothing better than our kitchens and the gear we use to bake and cook, this book is the literary equivalent of a perfect batch of croissants.

Bee Wilson is the food writer and historian who writes as the 'Kitchen Thinker' in the Sunday Telegraph, and is the author of Swindled!. Her charming and original new book, Consider the Fork, explores how the implements we use in the kitchen have shaped the way we cook and live. A wooden spoon - most trusty and loveable of kitchen implements - looks like the opposite of 'technology', as the ...
