The Book of Isaiah is very Rich with Metaphors and Similes, if you are in Love with them, or not; but, most Poor People are not: beCause the Metaphors are far too "Foggy" for them to Understand, which Means that they must Practice Reading all such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore, it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs, just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: beCause, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day, even though it will be Tempting to Finish it, quickly, just to Discover those Precious Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed, there is the Possibility of it; but, do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World! Yes, unlike the Mutilated Bible, the Book of Mormon is much more Understandable, being "a New Revelation from God," you might say; but, it is nothing quite as Enlightening as the New MAGNIFIED Version, which most Definitely contains New Revelations from the Supreme Ruler of this Heaven and Earth. Therefore, do not let the Sun Set on another Day of Deprivation; but, PLEASE, for your own Sake, Educate yourself with all such Good Books: beCause that is True Wisdom on your part, which will make you Glad that you did. Guaranteed!

A collection of honest and often hilarious extracts from the school reports of some of the most favourite celebrities: A few examples: 'He is so regular in his irregularity that I really don't know what to do' (Winston Churchill) 'Certainly on the road to failure ... hopeless ... rather a clown in class ... wasting other pupils' time' (John Lennon) 'She must try to be less emotional in her dealings with others' (Diana, Princess of Wales) 'I think he is just a teeny bit pleased with himself - or so I am prepared to hazard.' (Michael Palin)

This definitive and long-awaited edition of the C Version of *Piers Plowman* now joins the California editions of the A and B Versions to complete the set of *Piers Plowman* texts prepared under the general editorship of George Kane. *Piers Plowman* is the single most important Middle English poem, with the exception of Chaucer's *Canterbury Tales*. The forty-eight extant manuscripts of the poem are classified in three main versions: A, the earliest, written about 1362; B, a longer revision, written about 1378; and C, the most finished and public form, written about 1394. The basis of this edition is the text in Huntington Library MS 143, corrected and restored from the evidence of all known manuscripts of the C tradition to that of the first fair copy of the poet's revision materials. The correction and restoration are described in an extensive introduction, and there is a full apparatus of variant readings. Two appendices cover excluded lines and passages and the Ilchester Prologue.

Clowns tie their trousers with string which, when it is pulled, shows a hair-raising scene. At the age of 17 I have finally been accepted by my family. Pavlov studied the salvation of dogs. Trigonometry is when a lady marries three men at the same time. Q: In a democratic society, how important are elections? A: Very important. Sex can only happen when a male gets an election. The feminine of manager is managerie. The two kinds of book printed are friction and non-friction. Tarzan is a short name for the American flag. It's full name is Tarzan Stripes. Catharsis is a psychological means of stopping a catarrh. It illustrates the influence of mind over body. Mastication is what the Italians do with their hands when they talk English. Jesus was born because Mary had an Immaculate Contraption. Sir Francis Drake circumcised the world with a 100-foot clipper. Henry met Becket on the altar steps and severely massacred him. The Pilgrim Fathers became a big band of Quackers. The leader of the Bolsheviks was John Lennon.
