practice revolves
around the concepts
of learning from
different life

experiences. In this,
we analyze our past
responses in some
situations, the
outcomes of your
interventions and
then you learn from
those experiences, so
you can make better
decisions and

Download Free Creating

responses if similar
sorts of cases occur in
the future. In
reflective practice,
you would make a
conscious effort to
take a right and
bright insights from
your past incidents so
that you can optimize
the current
performance.
