Two pioneers in the field of applied anthropology have compiled a groundbreaking, comprehensive anthology, which provides contributions from key figures of the anthropological world together in a single volume.

This book focuses on the site La Tiza, the longest continuously occupied site in the Wari Empire, and therefore provides invaluable insights into the rise and fall of the Wari state.

The book contains a collection of letters from prison written by Gabrielle Russier, a 30 year-old teacher whose love affair with a sixteen year-old student resulted in her prosecution, imprisonment, and suicide. Mavis Gallant provides an interpretative essay.

Abstracts and bibliography on Chiang Mai, Province, Thailand.

Theology, Spirituality and Mental Health provides reflections from leading international scholars and practitioners in theology, anthropology, philosophy and psychiatry as to the nature of spirituality and its relevance to constructions of mental disorder and mental healthcare. Key issues are explored in depth, including the nature of spirituality and recent debates concerning its importance in contemporary psychiatric practice, relationship between demons and wellbeing in ancient religious texts and contemporary practice, religious conversion, and the nature and importance of myth and

theology in shaping human self understanding. These are used as a basis for exploring some of the overarching intellectual and practical issues that arise when different disciplines engage together with an attempt to better understand the relationship between spirituality and mental health and translate their findings into mental healthcare practice.
