Life starts with a woman. They are our mothers, sisters, friends and lovers.....but sometimes they don't see their value Deep in the thoughts of the women who make our lives wonderful often lies doubt and criticism. These sensitive and powerful people have questions that need answering, if only to put their minds at ease. What can the words of a man do to help the women we love see their true value? Adrian Cutinov has always felt close to the feminine soul, and in this book poured out his heart and beliefs in a hope that a different perspective would help. Women have questions. Do men feel emotions? Are men able to love? Can men really grow? Do they even want to? Has society just become too superficial for deep meaningful relationships to ever exist again? Is the age of true love, dead? Adrian sets out to remind women how special they are and to dig into these questions. You'll love his perspective, because maybe it will help you find the love you desire. Get it now.
