Global Sport Business: The Community Impact of Commercial Sport involves a range of pressing issues that come with the arrival of sport as a commodity in the world economy. It can be argued that, throughout the past two centuries, sport has always been recognized as both a frivolous pursuit of spending leisure time with friends and family, and as an activity that has substantial commercial value to be mined by entrepreneurs.

Emerging Markets Are
Investing In Sports -
Importance of sports has
risen steadily in emerging
economies resulting in the
increase in governments'
spending on the development
of the sports industry,
specifically into setting up
sports infrastructure,
building teams in sports and
attracting large
investments. For example,
