"Touching, smart, and utterly heartbreaking... Cassia Leo has captured the delicate beauty that is falling in love."-Prisoners of PrintFrom New York Times best selling author Cassia Leo, comes a tumultuous and scorching love/hate story. Five pages... A letter holding a secret buried for more than five years... A secret neither of them wanted to know. Will the truth tear them apart... again?Aurora "Rory" Charles has loved her best friend Hallie's brother, Houston Cavanaugh, since she was eleven years old. But her friendship with Hallie meant too much to her to risk taking a chance with Houston. Until one snowy afternoon, Houston and Rory find themselves thrust together by the grief of Hallie's death, catapulting them into a passionate and toxic relationship that will test the boundaries of loyalty to each other and to Hallie's memory and, ultimately, leaving them in ruins.Five years later, Houston and Rory run into each other and, to Rory's horror, Houston doesn't recognize her. She hasn't changed much, but he certainly has. He's still as handsome as he was five years ago when he broke her heart, but time, grief, and a loveless marriage have dulled him. The moment he recognizes Rory, all his memories and long-buried passion and secrets come rushing to the surface. And Houston finds himself once again choosing between the secret of Hallie's letter and the only girl he's ever loved.

Luke McGillicutty is a world-weary photographer coaxed out of premature retirement with the promise of traveling the world with a smart, spunky redhead. They've been paired up to create a new brand of television travel program. Traveling to romantic destinations, staying in first-class hotels, finding adventure at every turn, it's not surprising that the two fall in love. Luke is stunned to realize that Bella is the woman he's looked for his whole life. She's beautiful, smart, funny, and courageous. The only thing is, Luke hasn't been completely up front with her. He hasn't told her that he's into BDSM. He could play it safe, keep the relationship going exactly the way it is. But Luke wants more. As a Dominant, he craves the intimacy that a Dom/sub relationship provides. And he knows without a doubt that Bella is the perfect submissive. How will she react if he approaches her about submitting to him as a Dominant? Maybe she'd be intrigued by the idea. On the other hand, he could lose her forever. Life on the road working with Bella is great. Nights spent in Bella's arms are amazing. Should Luke just be satisfied with the way things are? Or should he risk everything on the chance that they could have it all?

“Thriller writing at its best. Thriller enthusiasts who relish the precise execution of an international thriller, but who seek the psychological depth and believability of a protagonist who simultaneously fields professional and personal life challenges, will find this a gripping story that's hard to put down.” --Midwest Book Review, Diane Donovan (regarding Any Means Necessary) “One of the best thrillers I have read this year. The plot is intelligent and will keep you hooked from the beginning. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. I can hardly wait for the sequel.” --Books and Movie Reviews, Roberto Mattos (re Any Means Necessary) From #1

bestselling and USA Today bestselling author Jack Mars, author of the critically-acclaimed Luke Stone and Agent Zero series (with over 5,000 five-star reviews), comes an explosive new, action-packed thriller series that takes readers on a wild-ride across America and the world. What begins it all is the theft of nuclear waste by jihadists from an unguarded New York City hospital. The police, in a frantic race against time, call in the FBI—and Luke Stone, head of an elite, secretive, department within the FBI, is the only man who can handle it. Luke realizes right away that the terrorists' aim is to create a dirty bomb, that they seek a high-value target, and that they will hit it within 48 hours. A cat and mouse chase follows, pitting the world's most savvy government agents versus its most sophisticated terrorists. As Agent Stone peels back layer after layer, he soon realizes he is up against a vast conspiracy, and that the target is even more high value than he could have imagined—leading all the way to the President of the United States. With Luke framed for the crime, his team threatened and his own family in danger, the stakes could not be higher. But as a former special forces commando, Luke has been in tough positions before, and he will not give up until he finds a way to stop them—using any means necessary. Twist follows twist as one man finds himself up against an army of obstacles and conspiracies, pushing even the limits of what he can handle—and culminating in a shocking climax. A political thriller with heart-pounding action, dramatic international settings, and non-stop suspense, the LUKE STONE THRILLER series is an explosive new series that will leave you turning pages late into the night.

dreams. They had no idea it would be the biggest mistake of their lives. After a year apart and thousands of miles between them, sexy Adam Parker burst into Claire's life with his awful jokes and profound patience and gradually fixed her shattered heart. Things haven't been easy, but they might just have a future together. But now Chris has returned and he is willing and determined to make Claire's dreams come true - the same way she did when she let him go. With Adam's former girlfriend in the picture, Claire finds herself torn. Both men own a piece of her heart, and one of them will get hurt no matter what she decides... New Adult Contemporary Romance- Due to strong language, drug reference, and sexual content, this book is not intended for readers under the age of 18.

THE NUMBER ONE NEW YORK TIMES BESTSELLING AUTHOR Luke Price's life has always been about order, control, and acting tough on the outside. He uses meaningless relationships as a distraction and a way to tune out the twisted memories of his childhood. He secretly wishes that one day he could find that one perfect person, but deep down he doesn't believe that perfection really exists. Violet Hayes has had a rough life, surrounded by drugs, neglect, and irresponsible parents. She thought she could escape that kind of life when she went to college, but her past catches up with her. To protect herself from getting hurt, she acts tough and keeps her distance from everyone. But then she meets Luke. The two of them clash, yet they can't seem to stay away from each other. The more they get to know one another, the more they realise just how similar their lives are, and that maybe the perfection they've always been looking for lies in each other.

After the heavily cartoon- and slapstick cinema-inspired first adventures, Morris turned towards the tradition of Westerns to flesh out his hero's world. In *Under a Western Sky*, *Lucky Luke versus Pat Poker* and *Outlaws* there is a lot of Hollywood and John Ford, and while Luke hasn't quite settled into his current look, he's certainly closer to the phlegmatic cowboy we know and love. *Outlaws* also marks the first appearance of the Daltons – the historical Dalton brothers here, who will later return as their decidedly stupider cousins. Throw in 48 pages of extra material on Morris's experience in the United States, and this is a book you won't want to miss.

“One of the best thrillers I have read this year.” --Books and Movie Reviews (re Any Means Necessary) In the much-anticipated debut of a new series by #1 bestseller Jack Mars, when elite Delta Force soldier Luke Stone, 29, joins a secretive government agency, he is dispatched on the mission of a lifetime: a whirlwind race across Europe and the Mid-East to save the President's daughter before she is beheaded by terrorists. In PRIMARY TARGET (Book #1), we see the forging of one of the world's toughest—and most lethal—soldiers: Luke Stone. A 29 year old veteran who has seen enough battle to last a lifetime, Luke is tapped by the Special Response Team, a secretive new FBI agency (led by his mentor Don Morris) to tackle the most high-stake terrorism operations in the world. Luke, still haunted by his wartime past and newly married to an expecting Becca, is dispatched on a mission to Iraq, with his new partner Ed Newsam, to bring in a rogue American contractor. But what begins as a routine mission mushrooms into something much, much bigger. When the President's teenage daughter, kidnapped in Europe, is ransomed by terrorists, Luke may be the only one in the world who can save her before it is too late. PRIMARY TARGET is an un-putdownable military thriller, a wild action ride that will leave you turning pages late into the night.
