Thierry Jonquet (Author of Mygale)

Mygale-- or Tarantula, as the British edition has it (a more familiar spider-name) -- is, appropriately enough, a spider web of a book, the different threads spun out until it all comes together in its very neat design. Jonquet serves up some extremely unlikely coincidences to get it to all fit together, but most of what he dishes up is so bizarre that one can almost overlook that. Especially ...

Mygale (or Tarantula, in the U.K. edition), French crime novelist Therry Jonquet's first novel to be translated into English (by Donald Nicholson-Smith) begins like a series of short stories. Seemingly unrelated tales of 4 (or perhaps 5) people who are trapped in different ways in prisons not of their own making. The stories will, of course, come together gradually (the final one in an almost ...

Mygale [MIG-uh-lee] n.: a genus of large tropical spiders. . . . Richard Lafargue, a well-known plastic surgeon, pursues and captures Vincent Moreau, who raped Lafargue's daughter and left her hopelessly mad in an asylum. Lafargue is determined to...

Richard Lafargue is an eminent plastic surgeon haunted by dirty secrets. He has an operating theatre in the basement of his chateau and keeps his partner Eve imprisoned in her bedroom, a room he has equipped with an intercom and 300-watt speakers through which he bellows orders. Eve is only allowed out to be paraded at cocktail parties and on the last Sunday of each month, when the couple visit a young woman in a mental asylum. Following these outings, Lafargue humiliates Eve by forcing her to perform lewd sexual acts with strangers while he watches through a one-way mirror. In alternating chapters, Jonquet introduces seemingly unrelated characters - a criminal on the run after murdering a policeman, and an abducted young man who finds himself chained naked in a dark chamber, forced to endure all manner of physical torture at the hands of a mysterious stranger, whom he calls Mygale, after a type of tropical spider. All of these characters are caught in a deceitful web, waiting to meet their fate.

After one of their own people repeatedly fails to live up to a pact with the Devil, a petty and morally bankrupt village community is plagued by a swarm of deadly black spiders. Using a complex narrative structure, Gotthelf 's cautionary novella shrewdly dissects the iniquitous social dynamics of rural life.

WINNER OF THE NOBEL PRIZE IN LITERATURE Music legend Bob Dylan's only work of fiction—a combination of stream of consciousness prose, lyrics, and poetry that gives fans insight into one of the most influential singer-songwriters of our time. Written in 1966, Tarantula is a collection of poems and prose that evokes the turbulence of the times in which it was written, and offers unique insight into Dylan's creative evolution, capturing the stream-of-consciousness preoccupations of the legendary folk poet and his eclectic, erudite cool at a crucial juncture in his artistic development. It has since been welcomed into the Dylan canon, as Dylan himself has cemented his place in the cultural imagination, inspiring Todd Haynes's acclaimed 2007 musical drama I'm Not There, selling more than 100 million records, and winning numerous prizes, including the Nobel Prize for Literature in 2017. In his acceptance speech for the Nobel, Dylan acknowledged the early influence on his work of Buddy Holly and Lead Belly as well as of wide-ranging classics like Don Quixote, All Quiet on the Western Front, and Moby Dick. Tarantula is a rare chance to see Dylan at a moment in which he was still deeply connected to his country roots and a folk vernacular while opening himself up to the influence of French 19th-century Surrealist writers like Arthur Rimbaud and the Comte de Lautreamont. A decade before the confessional singer-songwriter who would create the 1975 epic, Blood on the Tracks—which was just optioned by filmmaker Luca Guadagnino—here is Dylan at his most verbally playful and radically inventive. Angry, funny, and strange, the poems and prose in this collection reflect the concerns found in Dylan's most seminal music—a spirit of protest, a poetic spontaneity, and a chronicling of the eccentric and the everyday—which continue to make him a beloved artist and cultural icon.

A New York Review Books Original Whether you call her a coldhearted grifter or the soul of modern capitalism, there's no question that Aimée is a killer and a more than professional one. Now she's set her eyes on a backwater burg—where, while posing as an innocent (albeit drop-dead gorgeous) newcomer to town, she means to sniff out old grudges and engineer new opportunities, deftly playing different people and different interests against each other the better, as always, to make a killing. But then something snaps: the master manipulator falls prey to a pure and wayward passion. Aimée has become the avenging angel of her own nihilism, exacting the destruction of a whole society of destroyers. An unholy original, Jean-Patrick Manchette transformed the modern detective novel into a weapon of gleeful satire and anarchic fun. In Fatale he mixes equal measures of farce, mayhem, and madness to prepare a rare literary cocktail that packs a devastating punch.

One winter's afternoon, voice coach Sonia opens the door of her beautiful riverside home to fifteen-year-old Jez, the nephew of a family friend. He's come to borrow some music. Sonia invites him in and soon decides that she isn't going to let him leave. As Sonia's desire to keep Jez hidden and protected from the outside world becomes all the more overpowering, she is haunted by memories of an intense teenage relationship, which gradually reveal a terrifying truth. The River House, Sonia's home since childhood, holds secrets within its walls. And outside, on the shores of the Thames, new ones are coming in on the tide ... From the acclaimed author of *The Darkening Hour*, *A Trick of the Mind* and the forthcoming *A Stranger in my House*.

Also available in a new, movie tie-in edition, titled *The Gunman* (Paperback ISBN: 978-0-87286-664-5. Ebook ISBN: 9780872866652). Film opened March 20th, 2015 and starred Sean Penn, Javier Bardem, Idris Elba and Ray Winstone, directed by Pierre Morel (*Taken*). Martin Terrier is a hired killer who wants out of the game – so he can settle down and marry his childhood sweetheart. After all, that's why he took up this profession! But "the company" won't let him go: they have other plans. Once again, the gunman must assume the prone firing position. A tour de force, this violent tale shatters as many illusions about life and politics as it does bodies. Jean-Patrick Manchette subjects his characters and the reader alike to a fierce exercise in style. This tightly plotted, corrosive parody of "the success story" is widely considered to be Manchette's masterpiece, and was named a *New York Times* "Notable Book" in 2002. *The Prone Gunman* is a classic of modern noir. "For Manchette and the generation of writers who followed him, the crime novel is no mere entertainment, but a means to strip bare the failures of society, ripping through veils of appearance, deceit, and manipulation to the greed and violence that are the society's true engines."—*Boston Globe* "There's not a superfluous word or overdone effect . . . one of the last cool, compact and shockingly original crime novels Manchette left as his legacy to modern noir fiction."—*New York Times* "For the first time readers can experience in English translation the masterful thriller considered Manchette's finest, proof positive that the French knew what they were talking about when they labeled this sort of novel 'noir'." —*Publishers Weekly* "This superbly muscular translation of the late French mystery writer Jean-Patrick Manchette's most celebrated work, *The Prone Gunman*, is the third volume issued [by] *City Lights Noir*. The series may prove to be the most needed contribution to contemporary fiction by any publisher in a good long while." —*The San Francisco Chronicle* Jean-Patrick Manchette was a French crime novelist credited with reinventing and reinvigorating the genre. He wrote ten short novels in the 1970s and early 80s, and is widely recognized as the foremost French crime fiction author of that time. His stories are violent, existentialist explorations of the human condition and French society. Jazz saxophonist and screenwriter, Manchette was also a left-wing activist influenced as much by the writings of the Situationist International as by Dashiell Hammett. Jean-Patrick Manchette's other work, *3 to Kill* is also published by *City Lights Publishers*.

Norah wakes up in hospital and is told a fantastic story, one she finds hard to believe. However, there is enough evidence to convince her to begin searching for Jim. Warm, ultimately romantic and compelling, "Searching For Jim" is a brilliant story from the pen of a writer at the top of her form! (56,476 words)

An NYRB Classics Original Winner of the French-American Foundation Translation Prize for Fiction Michel Hartog, a sometime architect, is a powerful businessman and famous philanthropist whose immense fortune has just grown that much greater following the death of his brother in an accident. Peter is his orphaned nephew—a spoiled brat. Julie is in an insane asylum. Thompson is a hired gunman with a serious ulcer. Michel hires Julie to look after Peter. And he hires Thompson to kill them. Julie and Peter escape. Thompson pursues. Bullets fly. Bodies accumulate. The craziness is just getting started. Like Jean-Patrick Manchette's celebrated *Fatale*, *The Mad and the Bad* is a clear-eyed, cold-blooded, pitch-perfect work of creative destruction.
