B Series Skid Steers. All-new CASE B Series skid steers build on more than 50 years of engineering and field know-how to provide the most intuitive operator experience and comfortable working environment ever built into a CASE skid steer.

~~CASE B Series Skid Steer Attachments | CASE
Construction ...~~

CASE skid steers are easy to start and operate, and the simple electro-hydraulic control capabilities make it easier than ever to dial each machine to application/operator preference. From switching between H and ISO patterns to changing the aggressiveness of the loader controls – and storing operator profiles for immediate recall – CASE B Series skid steers give operators more control than ever before.
