Entertainment News It was a box office flop, panned by critics. But in using the songs of the Beatles to craft a story of Vietnam-era America, Julie Taymor reinvigorated the film musical. Chances are your favourite ...

Ear Rent is a new book of poetry by the author and artist Robert Benefiel. The title is derived from suggesting the price one pays to get the attention of another, as well as having been used as a term to have one's ear cut off to pay back a debt. By titling this new collection of poetry Ear Rent he understands he is asking the reader to stop and listen to what he has to say, but that he is also paying off his debt to society by giving it back the poems it influences. Derived from no one style, the work can come from completely surreal vestiges, or from plain and ordinary circumstances. Whether looking at a rubber toy staring at him from the bottom of a bathtub, relaying a news article, or enjoying the beauty of a surreal moment of hickory trees being on fire, each poem represents just one of the many ways the author is responding to the world tapping on his shoulder and asking for the time.

Ptolemy's Almagest is one of the most influential scientific works in history. A masterpiece of technical exposition, it was the basic textbook of astronomy for more than a thousand years, and still is the main source for our knowledge of ancient astronomy. This translation, based on the standard Greek text of Heiberg, makes the work accessible to English readers in an intelligible and reliable form. It contains numerous corrections derived from medieval Arabic translations and extensive footnotes that take account of the great progress in understanding the work made in this century, due to the discovery of Babylonian records and other researches. It is designed to stand by itself as an interpretation of the original, but it will also be useful as an aid to reading the Greek text.

When a deep winter snow carpets the Green Forest and nearby meadow, Granny Fox and Reddy have some disagreements on how best to find some food. But Granny - with her years of experience - wins out over Reddy and teaches him quite a bit about patience, common sense, and resourcefulness.

The blind Country and Western singer recounts his difficult childhood, describes the highlights of his professional career, and discusses the people and events that contributed to his success

A journey beyond imagination is about to unfold. . . . It begins in the most boring place in the world: Chickentown, USA. There lives Candy Quackenbush, her heart bursting for some clue as to what her future might hold. When the answer comes, it ' s not one she expects. Welcome to the Abarat, a vast archipelago where every island is a different hour of the day. Candy has a place in this extraordinary land: She is here to help save the Abarat from the dark forces that are stirring at its heart—forces older than Time itself, and more evil than anything Candy has ever encountered. She ' s a strange heroine, she knows. But this is a strange world. And in the Abarat, all things are possible.

"Farm life in central Michigan." Cf. Hanna, A. Mirror for the nation.

Raised in a family of four, Kyllia thinks she has the most ideal family. After her village has been burnt down, her deep, dark secret in her life begins to unfold. Having the powers to save or destroy the world, which would Kyllia choose?

Three stories starring Golden Age heroes and featuring existential themes.

When Bowser the Hound gets lost in the Green Forest, Blacky the Crow and other animals decide to help him.
