### Salvador Dali, prestel - AbeBooks

I bought this thinking it would be a proper colouring in book with Dali's paintings but sans colour. To say it is a colouring book is, quite frankly, a lie. It is a drawing/doodling book with pretty poor quality pages and very little of Dali's work. This was a present and I'm glad I checked it first.

Since before the myth of Pygmalion bringing a statue to life through desire, artists have used sculpture to explore the physical materiality of the body. This groundbreaking volume examines key sculptural works from thirteenth-century Europe to the global present, revealing new insights into the strategies artists deploy to blur the distinction between art and life. Three-dimensional renderings of the human figure are presented here in numerous manifestations, created by artists ranging from Donatello and Edgar Degas to Kiki Smith and Jeff Koons. Featuring works created in media both traditional and unexpected—such as glass, leather, and blood—Like Life presents sculpture by turns conventional and shocking, including effigies, dolls, mannequins, automata, waxworks, and anatomical models. Texts by curators and
