Survival

Although this is a subjective and nuanced answer, one of the most popular survival guides of all time is the SAS Survival Handbook, by John 'Lofty' Wiseman. It has had multiple revisions over the years, and has been the launchpad for related titles (such as the SAS Urban Survival Handbook).

There are many survival guides marketed to preppers by various experts, but one of the best survival manuals of all might come from the U.S. Army. In the early years of my adventures, there were many moments where if I had just had practiced a certain skill, or had knowledge on how to locate nearby resources, I would have been able to better handle the hardships
