Snakes are being recruited as animal 'therapists' by the NHS to treat depression. A London clinic is the first to use reptiles to help patients overcome low self-worth and 'communication issues'.

NHS recruits snakes to treat depression | London Evening ...

NHS 'experience' opportunities There are several facilities around the country that help give school and college students a taste of what it's like to work for the NHS. Some are facilities for school and college groups to visit and others are mobile units that can take simulation experiences to schools and colleges.
