The Philistines and Aegean Migration at the End of the ...

It also weakens Yasur-Landau's own claims that mass migration was rather rare, and Aegean-led trade limited, in the Late Palatial period. The book needs the Philistine migration to be different, large-scale, and distinct and so cannot link its character closely to any type of LBA interaction: the LBA must mainly provide a template of contrast.

The Philistines and Aegean Migration at the End of the ...

Assaf Yasur-Landau examines the early history of the biblical Philistines who were among the 'Sea Peoples' who migrated to the Levant during the twelfth century BC. He combines a theoretical framework on the archaeology of migration with new data from excavations to reconstruct the social history of the Aegean migration.

The Philistines and Aegean Migration at the End of the ...

Furthermore, a rigorous debate on the number of Philistine migrants and on the power relations between the Philistine settlers and the Egyptians in Canaan (Chapter 8) has not been followed by a close scrutiny of the means that were available for migration: the organizational abilities needed to conduct mass migration as well as transport, routes, and information.
