The Power of Photography. by Rajib Mukherjee. A picture speaks a thousand words. It has the power to move a mind and compel it to act. Beyond the gear and beyond the tricks and tips, photography has been, in its purest form, a silent recorder of humanity for as long as it's been around. You can't deny that photography has played one of the most significant roles in documenting and shaping the course of history as it has progressed over the last 100 years:
