Trane XV80 Two Stage Gas Heating Furnace - TUD2C100A9V5VB

The Trane XE80 is a residential gas furnace. Trane products are found worldwide and have a solid reputation. However, as with many heating systems, wear and tear can occur. The problems are usually relatively simple to troubleshoot, whether it is an issue with a clogged air filter or condensate drain. Before calling in a service repairman, there are a few troubleshooting steps you can run through on your own.
